Mario,

Please let me know if this will suffice as support from the Council office.

I'm working on the other forms now and will complete the master permit upon receipt.

Thank you very much for your assistance.

Best regards,

Subject: Approval of Street Light Decorations

To: San Pedro Historic Waterfront PBID <lparker@sanpedrobid.com>

PBID,

Thank you for your request to hang holiday decorations on the street lights. We usually require permits for decorations hanging between the poles and not for simple attachments. Every year PBID has hung up the decorations without a permit, but under PBID insurance coverage. You are approved to hang up the decorations for December 2015 and January 2016 in the PBID designated area of San Pedro.

Sincerely,

Jacob Haik
